IMU-KC reserves the right to accept or reject all or any of the Eols received.

Addendum, if any, to this Eol shall be hosted on websites as mentioned above.

**Proposals received after the due date and time will be treated as late response and will not be considered for further procedure.**

**It is the sole responsibility of the bidder, to make sure that the offer reaches the destination on or before the due date and time. Requests for due date extension will not be considered at any circumstances.**

**Disclaimer:** This call for Eol shall not be treated as a firm commitment or contract from IMU-KC with any of the participating vendors.

**OBJECTIVES AND SCOPE OF THE REQUIREMENT:**

IMU-KC invite Non-Committal EXPRESSION OF INTEREST for Design & Engineering, Procurement, Supply, Installation, Testing & Commissioning of Mobile Diving Platform for the Swimming Pool of Indian Maritime University – Kolkata Campus as per details mentioned below:

The following table provides information regarding the important points of the EOI.

1	Nature of Procurement	Design & Engineering, Procurement, Supply, Installation, Testing & Commissioning of Mobile Diving Platform for the Swimming Pool of Indian Maritime University – Kolkata Campus  (We will use term “Mobile Diving Platform” for the above mentioned procurement)
2	Place of Installation	Location:  Swimming Pool, IMU Kolkata Campus

**TENTATIVE SCOPE OF WORK:**

The purpose of this expression of Interest is for providing proposals for preparing a RFP for Design & Engineering, Procurement, Supply, Installation, Testing & Commissioning of Mobile Diving Platform for the Swimming Pool of Indian Maritime University – Kolkata Campus.

Detail scope of work for Executing vendor is as following: -

1. Detailed site survey of the location of installation
2. Preparation design and drawings of the proposed mobile diving platform of 10 meter (Made with stainless steel) mobile Diving platform with diving board at suitable intermittent jumping heights as per Indian or International acceptable standards.
3. The Product consists of a 3- Meter diving platform, a 5- Meter diving platform, a 7.5 Meter diving platform and 10-meter diving platform in a tower.
4. Preparation of technical specification for RFP.
5. Providing Budgetary estimated price along with detailed technical specifications and Bill of Materials and Bill of Quantities.

### **Payment/ Commercial Terms:**

This Eol is non-commercial and no remuneration in any way whatsoever shall be paid to the entities performing the activities for the EOI.

### **INTRODUCTION AND INSTRUCTIONS TO POTENTIAL BIDDERS**

#### **Advice to the Potential Bidders**

Potential Bidders are advised to study this EOI (Expression of Interest) document carefully before submitting their proposal. It shall be deemed that submissions of proposal by the potential bidders have been done after their careful study and examination of the EOI document and with full understanding to its implications for better understanding all Bidders are requested to attend the Pre-Eol Meeting.

Potential bidder should visit IMU-KC and do site survey at the proposed location of installation with written request and prior appointment.

The procedure for two-stage tendering shall include the following, namely:

1. In the first stage of the tender process, the procuring entity shall invite Eol bids containing the broad objectives, technical and financial qualification criteria, terms, and conditions of the proposed procurement, etc., without a bid price. On receipt of the Expressions of Interest, manufacturers/suppliers, which are prima facie considered technically and financially capable of supplying the material or executing the proposed installation, shall be obtained.
2. Thereafter, technical discussions/presentations may be held with the participated manufacturers/suppliers, giving equal opportunity to all such bidders to participate in the discussions. During these technical discussions, the procurement agency may also add other stakeholders who could add value to the decision-making on the various technical aspects and evaluation criteria. A proper record of discussions/presentations and the process of decision-making should be kept.
3. Based on the discussions/ presentations so held, one or more acceptable technical solutions could be decided upon by laying down detailed technical specifications for each acceptable technical solution, quality benchmarks, warranty requirements, delivery milestones, etc., in a manner that is consistent with the objectives of the transparent procurement. At the same time, care should be taken to make the specifications generic in nature to provide equitable opportunities to the prospective bidders.

4. In revising the relevant terms and conditions of the procurement, if found necessary because of discussions with the shortlisted bidders, the procuring entity shall not modify the fundamental nature of the procurement itself;
5. This Expression of Interest (EOI) is 'Non-committal' in nature and is issued with no commitment. This Non-Committal Expression of Interest (EOI) is for the knowledge of the vendor base and finalisation of details scope of work, appropriate financial involvement, modality and level of deployment of resources, specification of equipment/works/services and execution period. After finalisation of details scope of installation, appropriate financial involvement, modality and level of deployment of resources, specification of equipment/works/services and execution period, further tendering process may be done and in that case will not be restricted only to the shortlisted bidders of this EOI and normal bidding will be done.

**FORMATS FOR SUBMISSION:**

The same shall be submitted after filling all the necessary information within the due date and time along with the proposals. Interested parties may furnish their response to EOI in sealed envelope quoting our reference IMU-KC/PUR/EOI/02-2025 on or before 21 July 2025 [14:00hrs] to the following address

**“Campus Director,  
Indian Maritime University- Kolkata Campus  
P-19, Taratala Road,  
Kolkata-700 088.”**

## **QUALIFICATION / ELIGIBILITY CRITERIA FOR POTENTIAL BIDDERS:**

The bidder should be an experienced contractor in the field of supplying and installation of Mobile Diving Platforms for swimming pools.

AND

The bidder fulfils the terms and conditions of eligibility for the installations of mobile diving platforms in accordance with the guidelines of Government of India.

Downloading of EOI Documents by any Bidder shall not construe that such Bidder is considered to be qualified. Transfer of EOI Documents downloaded by one intending bidder to another is not permissible.

### **Amendment to EOI Documents**

At any time prior to the deadline for submission of Eols, IMU Kolkata Campus may for any reason, whether at its own initiative, or in response to the clarifications requested by the prospective Bidders, amend the EOI documents. The amendment will be notified only on CPPP. In order to afford prospective Bidders reasonable time in which to take the amendment into account in preparing their Pre-Qualification Bids, IMU Kolkata Campus may, at its discretion, extend the deadline for the submission of bids, if required.

Any addendum/corrigendum/extension, if required, will be hoisted only on CPPP. Bidder is requested to visit the above website regularly for any amendment/ addendum / corrigendum / extension till opening of the Bids. It will be assumed that the information contained therein will have been taken into account by the Bidder in its Eol.

### **Language of Eol**

1. The Eol prepared by the Bidder and all correspondence and documents related to the Eol exchanged between the Bidder and the Employer shall be written in English language only. If any accompanying literature is in another language, an English translation is usually required, with the English version taking precedence.

### **General Conditions & Methodology:**

1. Bidders can submit duly filled in Eols, along with all relevant documents as asked in this EOI.
2. The Applicant shall bear all cost associated with the preparation and submission of its Bid for this EOI and IMU Kolkata Campus will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process. The application that are incomplete in any respect or those that are not consistent with the qualification requirements as specified in this document or those that do not adhere to

formats, wherever specified will be considered non-responsive and liable for rejection and no further correspondence will be entertained with such applicants.

3. Canvassing in any form would disqualify the applicant.

4. A single firm /company may submit one application only.

5. The applicant must submit Company registration certificate in case of Company and partnership deed in case of partnership firm or affidavit in case of sole propriety firm.

6. Bid should not contain any price content entry.

7. IMU Kolkata Campus reserves the right to reject any or all Bids or cancel/ withdraw this EOI without assigning any reason whatsoever and in such case no bidder/intending bidder shall have any claim arising out of such action.

8. The EOI shall be governed by and interpreted in accordance with laws in force in India.

9. In case where the business firm happens to have been banned / suspended by any establishment of Central Government / State Government / CPSU / State PSU / Autonomous Bodies and the ban / suspension is still in force on the date of bid opening, the offer of the business firm / authorised agent/ distributor / dealer / affiliates shall not be considered and in such case no bidder / intending bidder shall have any claim arising out of such action.
