The following points with reference to the above-mentioned tender are added /clarified based on the discussions during the pre bid held on 03.04.2017 at 3 pm.

1. Query – Whether any payment, in addition to the per cadet rate, will be made by IMU-KC during vacation days considering the fixed expenses of the caterer?

It is reiterated that costs of all consumables, provisions, vegetables, edibles, etc are to be met by caterer.
3. Query – Whether any accommodation will be provided to the workers of caterer?
Answer – A small room will be provided for mess/canteen workers at IMU's cost. Bidders may visit and see the dimensions of the room.
4. The category of items belonging to the same category of equipment figuring in list may be added / reduced depending upon the actual requirement without any change of rates of food items. Storing items, aesthetic items etc which do not materially reduce cost of catering may be added by IMU – KC, at its discretion and without requirement for reducing rates by caterers.
